Area Of Expertise

Alex Peach is a member of the Office Services Division at Colliers. Alex works with both tenants and landlords. Having the experience of working on both sides of commercial real estate transactions gives him the ability to provide his clients insight into what needs to be done to make each deal a fair and pleasant experience for everyone involved. Alex represents one of the State's oldest and most recognizable landowners, Kamehameha Schools, on many of their office projects on Oahu as well a number of other prominent landlords on Oahu. His duties include obtaining new tenants while also working with existing tenants on renewals to keep a healthy tenant mix and high occupancy rate.

Whether it be a tenant representation or landlord listing assignment, Alex always strives to make his clients' experience the best it possibly can be. He works diligently to make sure his clients understand each step of the process and is in constant communication with both sides to ensure that deals get done in a timely manner. Whether during the leasing process or long after a deal has closed, Alex is always available to assist his clients in anyway he can.
