AREA OF EXPERTISE

Bethany is a commercial real estate professional with legal experience. She translates her creative and innovative ideas across all service lines in this ever-changing industry. Bethany excels at providing excellent customer service to both her internal team and external clients. She delivers high-quality capital markets, tenant and landlord representation, and property marketing reports and presentations. She is highly organized and has a keen eye for details, ensuring a high standard of quality in everything she does.

As the primary project coordinator for the Colliers office in The Woodlands, she supports a team of advisors who specialize in all property types including land, office, retail, industrial, healthcare, and seniors housing and care. She works on projects from proposal stages to closing and strives to help her team exceed their clients' needs and expectations.

Before Colliers, Bethany's background consisted of reporting on commercial properties, property management projects, legal support, and consulting.
