Blake Gibson

Area of Expertise

Mr. Gibson joined Colliers as an associate in 2005 specializing in the areas of corporate representation and brokerage. With more than 14 years experience in commercial real estate, Mr. Gibson has completed hundreds of transactions including lease transactions, build to suit, design build, land acquisitions, building acquisitions, dispositions, joint ventures and partnership structures. His clients include institutional property owners, developers, service, distribution & manufacturing companies and high net worth individuals.

Prior to joining Colliers, Mr. Gibson spent five years with KLA-Tencor where he worked as a Project/Sales Engineer responsible for generating and managing domestic and international sales activities of multi-million dollar semiconductor manufacturing equipment.

Professional Accomplishments

- Colliers' Top 10 Producer (2012, 2019)
- Colliers' Titan Award (2012, 2014 - 2015, 2017, 2019, 2021 - 2022)

Business and educational background

Mr. Gibson served in the US Navy from 1995 to 2000 as a Submarine Warfare Officer. During his service aboard the USS Archerfish Mr. Gibson acted as the ship's Reactor Controls and Electrical Officer where he was responsible for the operation, maintenance and repair of all nuclear reactor control, protective, and monitoring systems, in addition to all electrical generation and distribution equipment.

Upon completing his duties on the USS Archerfish Mr. Gibson was assigned to the USS Henry M. Jackson where he acted as the ship's Main Propulsion Officer responsible for the operation, maintenance and repair of all primary and secondary systems of a nuclear power plant including steam systems, seawater systems, chemistry, distilling plants, and lube oil.
