## AREA OF EXPERTISE

As an associate with Colliers International | Chicago's Corporate Solutions Group, Brett Newman is a tenant representative focused on providing full-service commercial real estate counsel for a diverse group of clients including office, industrial and medical users.

Brett works closely with his team and clients to provide real estate strategies and services relating to:

- Facility Relocations & Acquisitions
- Build-to-Suits
- Lease Renegotiation & Renewal
- Disposition & Subleases
- Space Expansion & Consolidation
- Investment/Financing Alternatives
- Business Unit Analysis/Workplace Design
- Lease and Operating Cost Analysis/Audits
- In-Depth Location Analysis
- Supplier/Employer Mapping

The team ensures these strategies maximize clients' economic outcomes while ensuring the real estate is always aligned with the company's short- and long-term business operating objectives.

## BUSINESS AND EDUCATIONAL BACKGROUND

Brett began his career with EY Chicago in 2016 as a financial services assurance staff. He focused on clients in the investment banking, capital markets, and asset management areas. Shortly after, Brett joined Colliers | Chicago where he worked as a transaction services specialist. In this role, he helped assist a global account with 250+ properties for all transactions and lease administration needs. His responsibilities included corporate real estate strategy development, site selection, proposal and lease negotiation, and financial analysis.
