AREA OF EXPERTISE

Ms. Prati leads the operational structure in the representation of users of real estate with a primary focus in occupier advisory and corporate services encompassing the lease, purchase, sale, and structured finance of real property.

Carrie has over 16 years of experience in highly productive team direction which includes client process optimization, real time marketing, client information systems, and lease and portfolio management.

Her experience with organizational structures is a strength. With Charles Fertitta, she formulates the most productive teams to offer a tailor fit approach to each client and transaction.
