AREA OF EXPERTISE

Director of the Commercial Agency of Colliers International in the Northern Territory. In this role Craig is responsible for all aspects of the Commercial Department including Sales, Leasing and Property Management across all sectors.

PROFESSIONAL ACCOMPLISHMENTS

In 2016 Craig won the Colliers International Awards of Excellence which recognizes top achievers for revenue generation and contribution to the company.

Craig was appointed as Colliers International NT Director Commercial Agency in 2015. In 2014 he was awarded the NT Commercial Property Manager of the Year.

Prior to working for Colliers Craig gained experience while working as Commercial Manager for Scarce Real Estate in Adelaide.

Before starting to a career in Real Estate, Craig worked as General Manager at Corporate Express, NT. His appointment came at a time when the Northern Territory was the poorest performing branch in Australia. Within 2 years he had turned the NT into the most efficient and profitable office. (from an EBIT/Sales perspective).

His experience working as a GM in a corporate environment started in 2001 when he sold his business to Corporate Express Australia Ltd.

PROPERTY OWNER

Through personal business activities I have pursued an interest in commercial and residential property through both acquisition and property development.
