## AREA OF EXPERTISE

Dr. Bakina specializes in Healthcare, Seniors Housing and Life Sciences Real Estate. She represents clients in lease and sales transactions as well as investment sales.

## BUSINESS AND EDUCATIONAL BACKGROUND

Prior to joining Colliers International, Dr. Bakina was Senior Healthcare Real Estate Advisor of Coldwell Banker Commercial from 2007 to 2014, and was a member of Coldwell Banker Commercial Healthcare Services Group. She is a former cancer research scientist for MD Anderson Cancer Center.

Dr. Bakina combines her scientific background and analytical skills with years of real estate experience to help her clients to achieve their real estate goals. She has a true understanding of the real estate process from start to finish. Her goal is to provide the highest level of professionalism and superior service in every assignment. Her educational background in medical research and past experience working at medical institutions provide her with an in-depth knowledge and understanding of healthcare and life science needs.

During her career Dr. Bakina has completed a wide spectrum of lease and sales transactions in office/medical office, retail, land and industrial sectors. Her clients range from small firms and practices to large corporations and hospitals.

Dr. Bakina's experiences living in several European and Asian countries allow her to

## COMMUNITY INVOLVEMENT

Dr. Bakina is serving as co-chair of the membership committee for the American College of Healthcare Executives Southeast Chapter. She is a member of the Economic Outlook Conference team at The Woodlands Chamber of Commerce. She has served as chair of the International Committee at Houston/Gulf Coast CCIM Chapter. She is a chair of Judges committee for Young Texas Artists Competition.
