AREA OF EXPERTISE

Jason is a Principal at Colliers International Chicago. He specializes in representing corporate users in the acquisition, disposition and leasing of office space throughout Chicago and nationally. Jason also leases approximately 3 million square feet of office space throughout the Chicago suburbs on behalf of institutional and private landlords.

Jason distinguishes himself through his superior understanding of Chicago market dynamics, his transaction management and lease negotiation expertise and his vast network of relationships within the real estate community including architects, general contractors, interior designers and relocation specialists. Jason's clients often compliment him on his attention to detail, resourcefulness and unwavering commitment to protecting their best interests.

BUSINESS AND EDUCATIONAL BACKGROUND

Prior to joining Colliers, Jason spent several years at Grubb & Ellis Company in the firm's office advisory group.
