Jason Tangen

Area of Expertise

Jason focuses primarily on industrial real estate investment sales. This includes buyer representation, property disposition, build-to-suit evaluations, development, sale-leasebacks, design-build, and other investment oriented transactions. He has more than 10 years of experience within the investment services sector and represents clients ranging from small private funds and family offices to publically traded REITs and other institutional investors.

Prior to Colliers, Jason worked for a small boutique commercial real estate firm where he was responsible for the upstart of the investment sales division.
