AREA OF EXPERTISE

Jim Humphries is an Associate at Colliers International in Houston since 2015 and part of Colliers Investment Services Group (CISG). He specializes in multifamily assets with an emphasis on properties within Texas and the Southern United States.

Colliers Houston's ISG team takes a consultative approach to commercial real estate which includes developing and executing strategies that are both consistent with its clients' objectives as well as feasible in the current market environment.

Jim has had seven years of multifamily real estate experience. Most recently as an analyst with the HFF Houston Multifamily group where he was directly involved in over \$6 billion in transactions. In that role, his responsibilities included underwriting and market analysis for both existing and to-be-built acquisitions and dispositions.

BUSINESS AND EDUCATIONAL BACKGROUND

Jim's primary focus is on multifamily investment services and capital markets. His responsibilities include multifamily investment sales, business development, financial and debt analysis, market research, due diligence and offering memorandum production.
