*"I would like to record my appreciation to Colliers in general and Jordan Schmidt in particular for the professionalism they showed during the recent sale of my properties in the Adelaide CBD. Their recommended program proceeded with satisfactory outcomes for both buyer and seller and with the minimum of fuss and input from me. I would have no hesitation in recommending them to any future vendors."*

*"I was approached by Rhys Newman and Jordan Schmidt to determine whether we were interested in selling our commercial property at Modbury, which we were, and after subsequent advertising we sold the property in October. Throughout this process the Colliers Team were extremely impressive, courteous, honest, very helpful and very professional. No 'salesman hype or pressure' and they always followed up keeping me in the loop. Should I ever need to sell (or purchase) another commercial property, the first thing I would do is ring Colliers."*

**-Dr Milton Hart**

*"Our organisation would like to express our appreciation to the Colliers Investment Services Team for their commitment to the sale of our asset. Alistair & Jordan were diligent & hardworking throughout the entire process. The team also exceeded our expectations in terms of professionalism and demonstrating a clear path to maximising the sale price through communication & problem solving throughout the duration of the campaign. I would not hesitate to work with or recommend this team moving forward"*
