AREA OF EXPERTISE

Kyle Hundelt is an associate with Colliers International's downtown Chicago Office Advisory Group. His primary focus is tenant representation, specializing in making informed real estate decisions for his clients by integrating financial data and qualitative information into executable long-term strategies. He works alongside his clients to execute their primary business objectives while enhancing their financial statements throughout the real estate process.

He provides a full suite of services such as workplace strategy development, site selection, property acquisition / disposition, financial analysis and modeling, transaction negotiation, and transaction management.

PROFESSIONAL ACCOMPLISHMENTS

Kyle was selected by Newmark Knight Frank as a 2014 Rising Star. The annual recognition is extended to a select group of NKF associates across the US.

BUSINESS AND EDUCATIONAL BACKGROUND

Prior to joining Colliers, he spent two years at Newmark Knight Frank in their Tenant Representation - Office Advisory Group, where he focused on new business development and providing execution support on a variety of transaction requirements.

Kyle is a licensed real estate broker in the state of Illinois.
