AREA OF EXPERTISE

Corporate and entrepreneurial real estate clients rely on Matthew Stauber to develop and execute creative and effective real estate strategies. For 23 years, Matthew's team has focused on supply chain real estate, with areas of expertise including site selection, labor analytics, real estate capital markets, structuring and negotiation of lease and sale transactions, government incentives procurement, and project management.

During his career, he has completed more than 1,000 transactions valued in excess of \$2.0 billion. Matthew is a six-time recipient of the Colliers Chicago "top industrial producer" award, he is an eight-time finalist for the Chicago Industrial Broker of the Year award given at the prestigious Chicago Real Estate Awards dinner benefiting the Greater Chicago Food Depository and won the award in 2013. Additionally, he is a six-time finalist for the NAIOP Chicago Industrial Transaction of the Year award.

Matthew is a member of the Colliers' Industrial Advisory Group (IAG), a national platform developing and piloting best practices and training to better serve Colliers' national clients.
