AREA OF EXPERTISE

Mia Jarrell, MCR, is an Executive Managing Director for Colliers International in Tampa, Florida.

She specializes in portfolio management, corporate real estate and workplace strategy, working on behalf of clients with significant domestic and global real estate assets. Areas of expertise include strategic planning, transaction implementation, site selection, lease administration and project and portfolio management.

Mia has over 16 years of in-depth experience in corporate real estate. During her career, she has completed transactions in excess of 5 million square feet in more than 40 markets throughout the United States.

BUSINESS AND EDUCATIONAL BACKGROUND

Masters of Business Administration (MBA)
University of Miami Business School
Miami, FL

Bachelors of Science (BS)
Wright State University
Dayton, OH

Mia entered the commercial real estate field in 2004 with a pharmaceutical background, having worked for Bristol Myers Squibb.
