AREA OF EXPERTISE

Michael provides transaction management, account management and strategic planning to large corporate occupiers all across the Asia-Pacific region, navigating difficult and complex real estate assignments for his clients.

PROFESSIONAL ACCOMPLISHMENTS

He has 17 years of experience working in the Asia-Pacific region servicing multinationals seeking to establish or expand their Asia operations. Michael was the project lead on the establishment of multiple Regional Headquarter campuses for Fortune 500 companies throughout the region.

In the Colliers APAC Awards of Excellence Michael has received the CEO's award for Client Service as well as an "Outstanding Achiever" Award. He currently leads the Colliers Technology Occupiers Practice Group for Asia and has transacted over 5 million sqft for Technology sector occupiers in recent years.

BUSINESS AND EDUCATIONAL BACKGROUND

Prior to joining Colliers, Michael worked for CBRE in Shanghai where he led a team of 15 brokers

During this time Michael gained an intimate knowledge of the China market and culture.

Michael joined Colliers Singapore in 2011 and managed various regional and global corporate clients

Since 2016 Michael leads the Regional Tenant Representation platform for Asia

COMMUNITY INVOLVEMENT

Michael is an advocate of education programs for underprivileged children and sponsors the education of children in Thailand, Myanmar and Tibet.
