### Area of Expertise

Mr. Taetz offers more than 34 years of experience with Colliers with a strong focus on industrial multi-modal transactions spanning a broad range of logistics projects including raw land site selection, high volume warehousing, manufacturing, rail car storage-in-transit, and development of barge fleeting facilities.

Prior to joining Colliers in 1986, Mike was employed as a construction manager with Brown & Root and, thereafter with the Trammell Crow Company. His knowledge of supply chain related facilities has benefited a variety of clients with their site selection process, leading to his involvement in more than 400 transactions, valued at over one billion dollars. Mr. Taetz became a Principal in the Houston office of Colliers in 1997.

### Professional Accomplishments
