AREA OF EXPERTISE

Molly joined Colliers International | Houston in October 2018 as an Administrative Coordinator. She provided assistance to several departments along with maintaining organization of the Houston office. Molly is now the apart of the Marketing and Research team as the Marketing Coordinator. Moving into this position has allowed Molly to expand her abilities within market research and the company processes. Her role includes maintaining advisor profiles, assist with new hire onboarding, email blasts, preparing in-house resource training material, assist with press releases, tracking media impressions, and preparing/assisting with company events.
