You did a great job with locating office space for Enphase Energy in Boise, for keeping all of the party's on-track and on-schedule, and for working so tirelessly to make sure that we met our deadlines. In short, I could not have done this relocation without you. Thank you for being there, for taking the lead in evaluating commercial properties appropriate to our needs, and for getting the job done right."

Scott King
(Director of Customer Support Enphase Energy)

"It is a pleasure to give you a glowing referral as we felt you made the experience of finding new office space very easy and seamless. I felt you spent our time wisely and kept us in the loop at all times, but asked us to do very little for the excellent service you provided."

Kelly Hendrix and Nathan Cooney
(Owners of PointGain and Associates)
