Tony Wang AAPI

Area of Expertise

Tony, as the Director of Asia Markets based in Brisbane, has made significant contributions to the commercial real estate industry. Over the past 7 years, he has successfully facilitated commercial real estate sales exceeding \$250 million throughout Queensland. Tony's primary focus is working with Asian investors, both within Australia and internationally.

What sets Tony apart from other commercial agents in Brisbane is not only his extensive experience in the field but also his unique background. As the only Asian commercial agent with a valuation background in the Brisbane market, Tony brings a distinctive perspective to his work. His multicultural background allows him to better understand the needs and preferences of Asian investors, enabling him to tailor his services to their specific requirements.

Furthermore, Tony's strong connections with overseas financial institutions and high net worth investors provide him with a significant advantage. These connections allow him to tap into a vast network of potential buyers and sellers, expanding his reach and increasing the opportunities for his clients.

With over 15 years of experience in property valuation and real estate, Tony's expertise is further reinforced by his registration as a valuer. This accreditation solidifies his credibility and proficiency in the industry.

In summary, Tony's track record, multicultural background, strong connections, and valuation expertise make him a highly reputable and sought-after professional in the Brisbane commercial real estate market.
