Zachary Taylor

Area of Expertise

Zack Taylor joined Colliers in March 2021 as Senior Vice President. Zack specializes in the sale and leasing of industrial real estate with a particular focus in southeast Houston and other markets along the Gulf Coast. He has experience working with local, national, and international clients on their various real estate needs including site selection, tenant representation, building acquisitions/dispositions and build-to-suit projects. Zack's analytical approach to real estate allows him to successfully evaluate and execute a broad range of complex transactions.

Zack has nine years of experience in commercial real estate acting as a trusted advisor. Zack has worked with industrial users, developers, and investors on a variety of transactions totaling more than 3 million square feet of lease/sale transactions and hundreds of acres of land totaling more than \$200 million in transaction volume.
